

**Grade 9 Social Studies
World War I Learning Stations
(Montague Intermediate School)**

Instructions:

- < Each of the eight learning stations/activities should be completed within one class period. Each group member must record all the answers for each activity, even though you may discuss and share answers within your group.

- < After your group has chosen a name, your group will be assigned the number of the learning station which is to be completed in the first library period.

- < Move down the list each day until all eight learning stations/activities have been completed. For example, if your group started at learning station # 3 on the first day, the second day your group would work at learning station #4.

- < At the end of each class, fill in the chart below.

Activity Number	Name of Activity	Date	Completed ? T	Comments	Teacher's Signature
