WOW ASSEMBLY: The last few months students have been involved in assemblies that recognize good character in our students. The assemblies usually include performances such as skits or poetry. Students caught being nice are awarded a small certificate. Our next assembly is on March 4th during the time. These assemblies are a great way to help further understand one of our school goals which is to protect a safe and caring environment.

GYMNASTICS: All our gymnasts did a great job at the Zone Competition in St. Louis. Three in each category were in the top ten overall. Over 20 gymnasts qualified for the Provincials that were held @ KISH on Feb. 20th where over 378 students from all over the Island participated. The competition was tough but Brooke Pineau was able to capture 3rd place in Novice girls on the vault. The Pre-Novice team finished 10th place in over 16 schools that participated. All gymnasts performed well. Way to Go!
