Phys Ed. News

It was a great year for the Bloomfield Bulldogs taking part in many events (soccer, basketball, badminton, gymnastics, softball, etc) in our unit and on the Provincial level. We tried some new sports this year including bodyball, tennis, table tennis and racketball and enjoyed them very much. Thank you to all students, parents and coaches for their hard dedicated work. Have a great and active summer.

Thank you for your continued support throughout the year. I hope you can take some time off from your busy schedules to relax and have some fun with your children. The public libraries are a great place to explore the world of books and help maintain your child's reading skills. I wish you all a safe and happy summer vacation and I look forward to working with you all again next year.
