## STUDENTS AND PARENTS

In this pamphlet you will find contacts, mailing addresses, applications and deadlines of various scholarships, bursaries and awards. ***This is a rough guide as it is impossible to keep information in this pamphlet current.***

Watch for memos and listen to announcements on various scholarships, bursaries and programmes available. Many universities and colleges, businesses, and organizations offer scholarships, bursaries and awards that you may seek out through advertisements, word of mouth, or the internet. The responsibility lies with you, the student, to investigate any and all avenues where these scholarships, bursaries and awards may be offered. You may want to check out the following web sites:

[ScholarshipCanada.com](http://ScholarshipCanada.com)

[www.hrdc-drhc.gc.ca/JobFutures](http://www.hrdc-drhc.gc.ca/JobFutures)

**Canada's largest database of scholarships - [www.studentawards.com](http://www.studentawards.com)**

Check out Bluefield's web-page [www.edu.pe.ca/bluefield](http://www.edu.pe.ca/bluefield) and click on ***Counselling Centre*** for information. This will give you pertinent information regarding various awards. Please be aware of the "deadline" dates and application procedures ... these are very important.

As we approach the end of the school year scholarships, bursaries and awards start appearing quickly and often will have shorter deadline dates. Many of these may require a copy of your transcript, letters of recommendation/reference or perhaps an essay. Be sure to allow yourself and staff members time to prepare any of these requirements.

You are encouraged to read through this booklet and highlight any you may qualify for. If you are uncertain of any of the information and whether you meet the requirements...please, just ask. **Come see one of the School Counsellors: Ms. Duffield-King or Ms. Gillan or the Administrative Assistant, Mrs. Cusack.**

***GOOD LUCK WITH YOUR SEARCH!***

## **NOTES**

- Often students who have an average of 80% or higher in Grade 11 and have maintained this average in the first semester of Grade 12 are automatically presented for scholarship to most university/college that they make application to. This process *usually* takes place in February. Some Universities have separate applications for entrance scholarships. See Section 5 of this booklet.
- Students should make an appointment with a School Counsellor to assist in planning and applying to universities or colleges.
- Go to Bluefield's web site [www.edu.pe.ca/bluefield](http://www.edu.pe.ca/bluefield) and click on Counselling Centre.
