

Kindergarten Parents,

Supplies needed for Kindergarten differ greatly from those needed in other grades. For this reason, rather than sending home a list of supplies for parents to pick up, we are asking that each family pay a supply fee of \$35.00. This will allow me to gather supplies over the summer months and to have everything needed when we begin our Kindergarten year. Examples of supplies I will be getting are listed below:

- Pipe cleaners
- Tissue paper
- Feathers
- Paper plates
- Portfolio binders
- Journal folders
- Variety of markers, crayons, pencil crayons
- Tape/glue
- Child size scissors

Please return the \$35.00 either on the Orientation Day (June 13th) or by June 27th.

Thank you in advance for your support.

Sincerely,

Rena Gallant,
Kindergarten Teacher
