We went on a sleigh ride to Pott's farm. It was very fun. We got to pet the horses and it seemed to calm them down. We saw fox dens, fallen trees, and a snowmobile. We went very fast and in one place there was a hole and the sleight tipped some. When we were done we got some hot chocolate and cookies and we saw some olden day stuff like a water pump. When we got ready to leave we saw our friends, Paige and Nick. We would really want to go again next year.
