We will label the school supplies. It is also a great help if you put your child's name and his/her bus number on the outside of their jacket or on his/her school bag so the teachers can help find their bus for them after school. If unsure of bus number, please contact the Western School Board at 888-8400. One pair of indoor sneakers and one school bag is also required. (Large enough to carry Hilroy scribblers).

It would be very much appreciated if you do not buy markers/colored pencils as we do not use these for in school art activities.

Looking forward to teaching and working with your child as they enter this huge step into Grade 1. Have a wonderful summer!
