

PRINCIPAL'S MESSAGE

Welcome to the 2009-2010 school year. We hope that all of you enjoyed a happy and safe summer vacation with your children.

As a staff we, at Elm Street School, are looking forward to a new and exciting year for all. We anticipate that the school year ahead will be successful and exciting.

Again this year, we have adopted this agenda in order that the children are able to be organized and prepared for all their assignments, tests and upcoming events. This is also a positive method to communicate between the home and school. We hope you make use of this handy agenda to help your child have a successful school year.

Remember that we are here for the good of the children and want each of you to become familiar with our policies and beliefs. Outlined within the following pages, please read carefully how we encourage a safe and friendly environment for your child's education here at Elm Street School.

We look forward to meeting you throughout the year. Feel welcome to contact us at the school if you have any questions, concerns or suggestions.

Just a reminder that any information within this handbook could change at any time. You will be notified of any changes.
