**Early French Immersion Registration - Kindergarten and Grade 1**

Effective September 2010, kindergarten will be the starting grade for the Early French Immersion program. In September 2010, students beginning kindergarten or grade 1 will register for their first year of Early French Immersion. In subsequent years, children will be registered for Early French Immersion when starting kindergarten.

Parents of children beginning kindergarten or grade 1 in September 2010 who are considering having their child attend the Early French Immersion program are asked to register for French Immersion during Registration Week at the appropriate school (see below). This will allow the District to more adequately plan and staff for the program. You will be given an opportunity to confirm your registration after information meetings are held later this year. **PLEASE DO NOT REGISTER YOUR CHILD IN MORE THAN ONE SCHOOL.**
