PAGE: 1 of 1

The Superintendent of Education will act on behalf of the Board to deal with issues where policy is non-existent. In so doing, the Superintendent shall not cause or allow in the District any practice, decision or circumstance which is imprudent, is in violation of professional ethical standards, or is in violation of commonly accepted educational, administrative or business practices. As soon as possible the Superintendent shall inform the board Chairperson and the board of such a decision.

In addition, the Superintendent of Education will subsequently recommend the establishment of Board Policy as required.
