EFFECTIVE DATE: **March 9, 2005**

REVIEW DATE:

SUPERSEDES: January 14, 1999

CROSS REFERENCE:

PAGE: 1 of 1

The Eastern School District recognizes the value of providing students an opportunity to gain the skills which will enable them to function in both official languages of this country. To this end, the Board offers Early, Mid and Late French Immersion programs at various locations through the District. Access to French Immersion is open to all students. Transportation is provided where bus routes currently exist. The Board reserves the right to establish new classes or to terminate offerings where numbers warrant.

Administrative Regulations will govern this policy.
