– Parent Teacher Conferences

PAGE: 1 of 1

The Eastern School District promotes regular reporting of student progress as set out in the *School Act* and Regulations. The District supports the involvement of parents/guardians as partners in the education of their children, and believes that regular communication is important to achieve this. Contact with the school will include, but not be limited to, written reports and personal interviews. Electronic reports may be provided at some levels.

The Eastern School District will require that all schools hold parent teacher conferences as set out in the regulations.
