### Coverage

Every eligible student attending public school in Prince Edward Island is automatically insured by The PEI School Accident Insurance Program's student accident coverage. This coverage is provided without a deductible and at no cost to the students, parents/guardians, or schools. Coverage is provided for students and volunteer coaches during school hours, school activities, and community-based learning activities, and also during travel to and from school and community-based learning activities.

### Who is Eligible?

All full-time elementary, intermediate, and senior high public school students in the province of Prince Edward Island who are covered under a Canadian federal and/or provincial health and hospitalization insurance plan are covered under the PEI School Accident Insurance Program. Please note that university, private school, day-care, community college, and foreign students are not eligible.

When injury shall not result in the loss of life of an Insured Person within three hundred and sixty-five (365) days after the date of the accident but shall result in any of the following losses or paralysis within said three hundred and sixty-five (365) days, the Insurer will pay for:
