June Menu from Borrowed Kitchen

Tuesdays - Cheezy Wheezy Grilled Cheese - a grilled cheese sandwich, carrot sticks with ranch dressing, and served with a homemade cookie.

Fridays - Eagle Eddie's Spaghetti and a Biscuit - 8 oz serving of spaghetti in a lean ground beef homemade spaghetti sauce with a sprinkle of parmesan cheese and served with a homemade cookie.

Just a reminder that all orders must be into the office by **9:00 am**. All payment for food orders, cash or cheque, must be for the exact amount only.

If a student is not in school to receive their food order because of illness or other unforeseen circumstances, they may have their food sent home that day with a sibling, have the food item the following day for lunch, or the parent may pick up the food order and take it home.

Reimbursements are not possible because the vendors must be paid for the food they supply.

When **school is cancelled** and the food item that was ordered is not received, consider the food that was ordered as a credit towards your next food order. The next time a student puts in a food order, fill out the Food Order forms as normal (including subway forms) but do not pay for the food item that wasn't received due to the school cancellation. Indicate on the Food Order form that you have a credit for that item due to the cancellation. Hopefully, this should save some confusion.
