

You have 2 classes to complete this project:

Instructions:

- Create a suitable folder system in your account.
 - Suggestion: G:\Digital Imaging\Fireworks
- Go to: S:\CMM801\DIGITAL IMAGING\FIREWORKS\TUTORIAL#2
- Copy the TUTORIAL#2 Folder to your G: drive
 - There should be four files
 - There should also be a PDF file called Tutorial#2 Instructions
 - OPEN the PDF file and also open the Macromedia Fireworks program
- Complete the tutorial as directed
- Attach a copy of your completed JPG file (myfall.jpg) in an email message to the mrhscomputer email account—SUBJECT: Fireworks Tutorial #2.
