**A Word From Our
Principal from Morell
Consolidated at The bay and
the High School**

I would like to thank all individuals who supported our fast evacuation and relocation. I thank the teachers and support staff for your patience and devotion.

We the staff, wish to thank the Eastern School District personnel and the community for your support. A special thank you to the people who loaded and unloaded all the materials.

We must not forget the students and parents who waited patiently for us to be settled. We are operating classes with some distractions from all the inside workers who are trying to get everything up and running, but we are patient.

We plan to put all our activities back in place in the near future. Even though we are located in two separate building, I assure you that every effort will be made to keep both students and staff united until we return to our permanent location (Morell Consolidated).

Parents/guardians who can help out with any activity, please call the school. Our numbers are the same.

Many thanks,
Leo Hendricken
