## Your Feedback from AGM 2009.....

*“We need more time to discuss resolutions ....and breakout groups to discuss educational issues”.*

- ★ Home & School has a voice....the power to bring things to gov.
- ★ Eastern and Western Boards have different policies.
- ★ Parents are involved and feel they have some power.
- ★ New ideas around parent engagement activities.
- ★ Newsletters and the chance to win a prize are a huge incentive to communicate with your school.
- ★ We are all part of something huge!
- ★ Most Home and School associations have the same problems with numbers attending meetings.
- ★ New ways to get info out to parents.
- ★ Better understanding of process for conducting meetings.
- ★ I thoroughly enjoyed the AGM (2009).....the first I'd ever attended. It was a really great experience to see such capable people all in one room and it gave me such inspiration that what we do, our little individual associations, really can make a difference!
- ★ Great organization and a very worthwhile day...It shows that there was lots of preparation when things go off without a hitch....Had a great time!
