## WHAT IS WITS?

The **WITS** Program was developed in Victoria BC to give younger children (K to gr. 3) the information they need to make safe and positive choices when faced with situations involving threats, or aggressive behavior.

Students will learn to "**Walk** away and tell an adult, **Ignore** and tell an adult, **Talk** it out and tell an adult, and **Seek** help", if they are confronted with an aggressive situation.
