

# CRHS Grad Photos

- ✓ Heckbert Studios will be at Charlottetown Rural High School from **Monday, October 5**, to **Wednesday, October 14, 2009**, to photograph all potential graduates of the **2009-10** school year.
- ✓ All students must be photographed by Heckbert Studio to have their grad photo on the school composite and in the school yearbook. Any student who plans to buy his/her grad photo package at another studio is **still expected to have their complimentary grad photo taken by Heckbert Studio**-the photo from the other studio will not be accepted for the school composite or yearbook.
- ✓ Appointments for those students who wish to buy their packages from Heckberts Studio will be made the week of September 14 to 18, 2009 in the Student Store between 11:30 and 12 noon. The sitting fee at the school is \$20 plus taxes (\$23.32). Make-up service will be provided at a cost of \$20 plus taxes (\$23.32). This is the same service that is offered at the Studio at half the studio price.
- ✓ Students who choose to have a complimentary sitting for the yearbook and composite will be photographed by home room class.
- ✓ Students may purchase their graduation photo package from the company of their choice.

# Class of 2010
