

Grad Photos for the Class of 2009

1. Heckbert Studios will be at Charlottetown Rural High School from **Monday, October 6, to Wednesday, October 15, 2008** to photograph all potential graduates of the **2008-09** school year.
2. All students must be photographed by Heckbert Studio to have their grad photo on the school composite and in the school yearbook. Any student who plans to buy his/her grad photo package at another studio is **still expected to have their complimentary grad photo taken by Heckbert Studio**—the photo from the other studio will not be accepted for the school composite or yearbook.
3. Appointments for those students who wish to buy their packages from Heckberts Studio will be made the week of September 15 to 19, 2008 in the Student Store between 11:30 and 12 noon. This is the same service that is offered at the Studio at half the price. The sitting fee at the school is \$20 plus taxes (\$23.32). Make-up service will be provided at a cost of \$20 plus taxes (\$23.32).
4. Students who choose to have a complimentary sitting for the yearbook and composite will be photographed by home room class.
5. Students may purchase their graduation photo package from the company of their choice.
