Network/Email Account Application for Students

This field will verify;

- if the account request is a current student in another PEI school;
- if the account is a new account to the PEI School system;
- or verify that there are no pending requests in the queue.

If you click Validate and receive information on a student other than for whom you are creating an account do the following:

- ensure that you have entered the correct Provincial ID. You might wish to double check Trevlac for this data.
- if you are certain you have entered the correct Provincial ID and still receive another student's information then this may be a case of duplicate Provincial ID's. This is possible as there are some duplicate Provincial ID's in the system. Contact your school Trevlac administrator to obtain a new Provincial ID for this student. Your school Trevlac Administrator should contact the school board to ensure this change is made in all data related to the student.

Transfer Student OR Duplicate Provincial ID Screen

If you are submitting an application for a student who is transferring please ensure all fields are completed and double check that all information on the screen is correct. If the information you see on the screen does not match the student whose account you are creating, please return to the previous screen and ensure that you have entered the correct Provincial ID. If necessary review the information on that screen concerning duplicate Provincial ID numbers.

Confirmation of A Successful Account Application Submission

Once the student's account is created, an email message containing the account information will be sent to the person requesting the account, the Site Technical Contact, and the school's Trevlac Administrator.

The screenshot shows a Microsoft Internet Explorer browser window. The title bar reads "Network/Email Account Application Form for Students - Microsoft I...". The address bar contains the URL "http://www.edu.pe.ca/forms/test/ft_reply_Transfer.asp". The page content includes the Department of Education logo and "Technology Support" text. A navigation bar has links for "Log-in for Support", "Documents", "Computers for Schools", and "Licensing Information". The main heading is "Network/Email Account Application Form for Students". Below it is a confirmation message: "Thank you for submitting a Network/Email Account Application Form for Students. The account information will be processed as soon as possible." A note states: "Please note: It is the school's responsibility to update the Student's Trevlac record with the username and password (on the PEI Screen). This is necessary to ensure that the student's account will follow them from school to school during their academic career." A link "Return to the Provincial ID Validation page.." is provided. A "Top" button and the URL "http://support.edu.pe.ca" are at the bottom. The status bar shows "http://www.edu.pe.ca/cfsl/" and "Local intranet".
