Dear Parent/Guardian:

The Cody Banks parking lot is our designated student drop-off, pick up area in the morning and afternoon. We have received concerns from parents in the past with respect to the safety of our students during drop off and pick up. Some of these issues include double lanes of vehicles making the horseshoe pattern at the same time, pulling out while children are walking from vehicles, parking in a restricted area and driving too fast. We would like to correct these issues and feel that drivers may need a review with respect to the "rules of the Cody Banks parking lot."

Below is a map of the Cody Banks parking lot explaining the horseshoe pattern we ask drivers to follow. There are signs stating "Entrance Only" and "Exit Only" We ask that if parents are parking their car to please "back in" along the fence and/or Cody Banks Rink or Sherwood Rec Hall. If you're parked in any parking space please exit your vehicle and walk your child to or from the steps leading down to the school.

Once buses leave our parking lot there is no outdoor supervision. For safety reasons, any students who have not been picked up at this time will be brought back to the school front entrance where they will wait for their drive.

This is an extremely important issue for all children's safety.

Jean Boudreau, Principal
