SCHOOL POLICIES

1. Students go outside at recess although temperature, wind chill and weather conditions are determining factors for outside breaks.
2. Students must have written permission to leave school at anytime during the day.
3. If your child is going to be absent for the day or arrive late, it is important that you call the office first thing in the morning at 887-2505 and leave a message with the school secretary.
4. Students, other than those on buses, need not to be at school before 8:35 a.m.
5. No oral medication (i.e. tylenol), may be brought by the student unless the teacher is informed and proper procedures are followed. The school is not permitted to provide any medication for students. No student may share medication with another student.

6. Smoking is prohibited on school premises.
7. Students must have signed written permission from parents to obtain a bus pass if they are not going to their usual drop off. NOTE: Permission may be denied if there is not any space available on the bus (e.g. birthday parties).
8. Cell phone, cameras are not allowed on school property. MP3's are not to be used during class time.
9. If your child is to take an alternate form of transportation after school or is being picked up by someone different, please advise your child's homeroom teacher with a signed note. This note is to be submitted to the homeroom teacher first thing in the morning.
10. Students are discouraged from using the phone during the school day. In the case of an urgent situation, the teacher will issue a Telephone Permission slip to the student permitting them to use a phone in the office. We ask that parents limit calls to the school during the day to only the most urgent.
