**Topic:** “The Difference Parenting Makes”

**Featuring:** Dr. Matt Sanders, Professor of Clinical Psychology, Director of the Parenting and Family Support Centre at The University of Queensland, Australia, and Founder of the Triple P-Positive Parenting Program®.

**Date:** Tuesday, Nov. 1, 2011 Time: 7 pm

**Location:** Colonel Gray High School Lecture Theatre

Kids don't come with an instruction manual so chances are, if you're a parent or caregiver, you wish you had help with children's behaviours like tantrums or sleeping, bullying or teenage withdrawal you wish you had more information on parenting in general and what to expect at your child's stage of development.

Prof Matt Sanders and his colleagues founded The Triple P-Positive Parenting Program® with parents like you in mind.

Prof Sanders is founder of one of the only evidence-based parenting programs available, with over 30 years of proven clinical research to back it up. Triple P has helped six million children and their families, and has the seal of approval of parents, practitioners and experts, worldwide.

Come and hear from an international expert about *The Difference Parenting Makes*.
