## BASKETBALL CHAMPIONSHIPS BRING ON MARCH BREAK

### CONSTITUTION REVIEW UPDATE:

The review process continues to move forward, ever so slowly. At a recent meeting of the ELT (Educational Leadership Team) the three superintendents, Deputy Minister of Education and appropriate lawyers supported the policies as presented and the format to be used. As well, finance advisors and risk management staff have shown approval and support. Once completed, expected in early April, the new version will be forwarded to the member schools for their perusal. The members will be given an opportunity to respond before final acceptance is achieved

The PEISAA has an agreement with Comfort Inn's whereby school teams travelling to tournaments and the like can get special accommodation rates from Comfort Inns in Atlantic Provinces. They offer a four per room team rate of \$75. Your PEISAA office has further details.

### POWERLIFTING:

The second powerlifting qualifying meet was held at Three Oaks on Feb 11/10. Seven high schools sent more than 60 lifters in men's and women's divisions. The host Three Oaks team won the team competition, Souris was a close second and Bluefield third. Kyler Burke of Souris won the men's division setting two provincial records and Natasha Nowak won her second consecutive competition. Three lifters will attend the Canadian Powerlifting Competitions in Quebec on April 10: Kyler Burke and Nathan Conway from Souris and Kevin Cudmore from Colonel Gray.

Souris High will host the Provincial Finals on April 23 with more than 80 competitors expected.
