The Stonepark Read In is approaching. During the Read In all LA students will be reading their choice of reading material just for pleasure. We are looking for an original design for this year's Read In bookmark. Go to the library for more information or ask your teacher.

SP 1 defeated EWS yesterday 3-1 in a very thrilling match. After losing the 1st game 25-18 and down 17-11 in the 2nd, Stonepark began to step up their game with big hits from Noah Giddings and David Redmond, great blocks from Brayden White and Noah Giddings and great hustle from Jack MacAulay. It was a great win for the Stonepark boys who showed a lot of heart to rebound from losing the 1st game of the match against a hard-serving EWS team.

With win, the boys are the #1 seed in the east and will face SIS on Friday at the provincial championships at SIS.

SP1 will practice today 3-4:15pm.

String classes this afternoon are cancelled.

I've asked the grade 9 band students to check in with their homeroom teachers when they arrive at school tomorrow. I've asked them to pick up their poppies and then to meet me in the gym at 8:30 ready to play. If you see any band students in the halls after 8:30 (the blue sweaters are a dead give away) please send them to the gym!

Cafeteria Special: Made to order Sub

Farmers Helping Farmers: There will be a Farmers Helping Farmers meeting today in Ms. Carmichael's room anytime after 12:15 pm. See you there.

Grade 7 students are reminded that band practice is canceled today at lunch. This rehearsal has been rescheduled to Friday at 12:25 due to the magazine campaign ice cream party. There will be a jazz band rehearsal today after school.
