Vernon River Home & School Lunch Program

The VR Home & School would like to thank all the families who are helping make the lunch program a big success. Please continue to send orders and money in on Monday for Friday's lunch as well. If you have 2 or more children in the school you can send money in one order: with each Child's names/grades and orders. This may help with correct change. Each classroom has a lunch basket for Monday morning pickups.
