

## **Westisle "AA" Girls Soccer Year End Report - 2008**

This team was easily one of the most determined teams that we have ever had at Westisle. Many of the players battled injuries all year long but it never stopped them from achieving their success. The team played in two tournaments, first traveling to Moncton where the team played three close games and then they went to Montague where they were undefeated in the round robin while not allowing a goal. In the final, the team faced defending league Champions Charlottetown Rural and played to a hard fought 1 to 0 loss to finish with the silver medal. The girls had a good regular season, finishing 4<sup>th</sup> in league play with wins over Three Oaks and Montague and ties vs. Three Oaks, Bluefield and Charlottetown Rural.

This set up a quarter final game vs. Three Oaks where the team played a great game while winning by a score of 5 to 1. This set up the semi-final match with rival Charlottetown Rural. For the third time this year, the team gave Rural a fantastic battle before suffering a heartbreaking 1 to 0 loss on a last second goal by Rural. In the Bronze medal game however, the team bounced back to beat Bluefield on a late penalty shot and were successful in earning the bronze medal.

We would like to wish all the best to our departing Grade 12's, including Alexa Ellis, Amy-Lou Caulier, Angelina Gorrill, Maria LeClair, Nadia Shea & Katie Hardy. Thanks so much for 3 years of dedicated play.
