

Golf Team

The golf team performed very well this year despite many obstacles, not the least of which was the loss of our main practice facility for a two week period during the heart of our season. The students still were able to remain competitive and finished the year with our best performance in tough conditions at Provincials held October 8th at Brudenell.

Many thanks go to all this year's participants, especially graduating students John Bulger, Kurtis Coughlin, Spencer Gallant, Ryan Gavin, Jason Smallman and Nick Webb.

Coach: Alan McAlduff
