Click on the small picture of the machine.

Click on the small picture of the horn to hear about your machine. What did you hear?  ___________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

Click on the big picture of your machine. What did you see? ________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

Where can you find your machine? _________________________________________

What does your machine look like? _________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

Who would use this machine? ____________________________________________

Have you ever seen one of these machines for real? __________________________
STATION FOUR
How Is A Crayon Made?

Look at the pictures in the book *How Is a Crayon Made?*

What did you see in this book? ___________________________________________________
_________________________________________________________________________________
_________________________________________________________________________________

Draw and color these pictures.
1) In box number 1, draw a picture of a snake. Color it purple. Give it a long tongue. Draw a green fly on its tongue. Draw a large brown rock by its tail. Draw a red bird in the sky.

2) In box number 2, draw a bug. Color 6 red legs on it. Make 5 purple dots on its body. Draw green grass all around the bug. Draw 4 yellow flowers and 2 blue flowers in the grass.

3) In box number 3, draw a rocket ship. Color the top of the rocket ship blue. Color the rest of the rocket ship purple. Draw red and yellow flames coming out of the bottom. Draw 10 stars in the sky. Make a yellow moon in the sky. Draw a happy face on the moon.

4) In box number 4, draw a tree. Color the 12 leaves many colors. Draw a blue bird in the tree. Draw a little boy playing with a ball beside the tree. Make the boy's ball red and blue. Draw a yellow sun and 4 blue clouds in the sky. Draw a brown puppy near the tree.
Choose an information book about vehicles from the table.

Series Title: _________________________________________________________________

Title: ________________________________________________________________________

How many pages are in this book? _________________________

How many different kinds of vehicles are in your book? _______________________

Look through the book and choose one vehicle to read.

What vehicle did you choose to read about? _________________________________

What did you learn about this vehicle? _______________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

Look at the picture of the vehicle. What are the different parts of this machine?

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

Does your vehicle move on land, in water or in the air? ________________________

What are the other vehicles in your book? _________________________________

______________________________________________________________________________

______________________________________________________________________________

What vehicle in your book have you ever been on? ____________________________

______________________________________________________________________________
STATION EIGHT
ALPHABETICAL ORDER

Take the words from the first column and put them in the right alphabetical order into the second column. When you are finished, open up the book *Encyclopedia - How Things Work* to the Contents page on page 7 and find the page number that each word is found on. The first one is done for you. You can cross out the words as you use them.
