Positive Parenting from Two Homes for Kid’s Group:

At LM Montgomery School we run both primary (grades 1-3) and elementary (grades 4-6) Positive Parenting from Two Homes for Kid’s Groups at the school during the school day. Some of the topics that we cover during these groups include:

- What is a family?
- What changes will separation/divorce bring to a family?
- How will those changes affect your child?
- Family dynamics during separation and divorce
- How will separation/divorce affect me now and in the future?

If you would like to have your child attend this group or should have any questions about the group, please call Ms. Doiron, School Counsellor at 369-4089 or email her at sbdoiron@edu.pe.ca.
