Teachers are looking forward to meeting with Parents/Guardians on Thursday, March 8 (evening) and Friday, March 9 (am) for Parent/Teacher interviews. Report cards will go home with students on Wednesday, March 7. You will have an opportunity to view your child’s progress prior to meeting with their Teachers.

We are now moving into the third and final term for this school year. It is important for students to continue to work hard to ensure a successful school year.

Science Fair:
Congratulations to all participants from grades 5, 6, and 7 who worked so hard with their teachers’ and parent’s help to complete their projects.
Thank you to our Judges: Mr. Barry Wilson, Mr. Fred Cheverie, Mr. Len Gaudet, Ms. Erica MacIsaac, Mrs. Beth MacDonald and Mr. Jamie Chapman. They were very impressed with the quality of all of the projects.
The following students will represent our school at the Unit Science Fair being held at Souris High School on Thursday, March 8. The public is welcome to view the projects in the afternoon.

ArtsSmarts:
What a great week students have had working with artist Debra Percival and Ginny Deveau learning about sketching, the science behind etching aluminum plates and print making. The artists will be working with Grade 6, 7 and 8 students this week. Parents will have an opportunity to view the finished product when we have our ArtsSmarts celebration in early April.

Substance Use Awareness:
As a result of a session held at SRHS on Substance Use Awareness, each school has been given a very informative binder to share with Teachers and interested Parents. If you would like to borrow the binder, please contact the school at 687-7140.

Thank you Ms. Paquet:
I would like to take this opportunity to thank Ms. Danielle Paquet for doing such a great job with grade 5/6, 7 and 8 students in the areas of math and science over the past six months while Mrs. Chapman was on leave.
Mrs. Marise Chapman will be returning to her teaching position after the break on March 26. Thank you Ms. Paquet and good luck with your future endeavours. We will miss you.

Skating and Bowling:
We have been able to book another afternoon of skating and bowling on Friday afternoon, March 16 thanks to the generosity of the Eastern Kings Sportsplex. They have offered us free use of the rink and bowling lanes.
- 12:30-1:45 Grades 1-4
- 1:30 - 2:45 Grades 5-8
Students in grades 1-4 will only be permitted to skate if they have a proper helmet. We are also suggesting that students in grades 5-8 also wear a protective helmet to ensure safety while having fun.

Dates to Remember:
- Wed. March 7 Report cards home
- Thurs. March 8 Unit Science Fair Souris Regional High School
- Thurs. March 8 PT Interviews (evening)
- Friday, March 9 PT Interviews (am) NO SCHOOL

Teachers will be participating in Professional Development activities in the afternoon. Grade 5-8 teachers will be learning more about Cross Curricular Reading Tools with other teachers from the Souris Family of Schools. Teachers in Grades 1-4 will be working on developing ways to assess student reading comprehension which is one of our school’s goals in our School Development Project.

- Friday, Mar. 16 Skating/bowling
- March 19-23 Spring Break NO SCHOOL
“Enjoy your break everyone!”
