THANK YOU BATHURST-CAMPBELLTON

A special thanks to the host society, volunteers, and the people of this region for doing such a fine job of hosting these games. You certainly made us feel welcome and we will be leaving the region with very fond memories.

National Artist Showcase their Talents

For the past two weeks four members of team PEI have been working on their various skills and talents with national mentors. During this time they have had the opportunity to refine their skills, make new friends, and work towards the gala production.

The first of two gala events was held on Thursday evening at the Restigouche Theatre in Campbellton. It was a fantastic evening of theatre, song, and dance and the PEI national artist performed marvelously. The show highlighted Karine’s ability as a musician (fiddle) and step-dancer, Jade’s talents in dance, Whitney’s beautiful voice, and Randi’s theatrical and performance skills. Team PEI knew that we had some very talented artists attending the Canada Games and last night’s performance reaffirmed this. Way to go girls!!!
