Textures Self Assignment

This assignment consists of 3 multiple choice questions and two brief essay questions on texture.

1. The following image is an example of which type of texture:

2. Which is the smoother paper?

3. Describe the difference between simulated, symbolic and real texture.

4. This question has three steps:
   1. Get a spoon, a rock (any kind), and a piece of fabric (any kind).
   2. Describe in 1-2 words (words, not sentences) the texture of each item in Step 1.
   3. Describe one way (a different method for each) that you might incorporate the texture of that object into a printed design.
